

Why join NYSOC?

The North Yorkshire Subaru Owners Club is a family friendly club. Our monthly meetings are held at family friendly venues in the York area.

Where possible at events we aim to cater for children with free pop and sweets being made available.

Throughout the year there will be family friendly competitions taking place both online and at events.

Keep a look out for news on

- Easter Treasure Hunt
- Santa Run
- Name The Mascot

As a club we aim to cater for all our members with various activities planned. Due to the vast spread of our membership across the whole of Yorkshire we have what we refer to as a “Rolling Meet” this is where a club member arranges an appropriate location for the club to meet. Usually a Sunday lunch followed by a drive and a photograph opportunity.

Take a look on our website for more information. New users are welcome to register on our forum and will discover details of meets and events.
